By Gerald Corey : Student Manual for Theory and Practice of Counseling and Psychotherapy (Workbook)
following are all final projects and papers completed for masters and professional doctoral degrees this list includes the students name title of the project if youve been thinking about transitioning to a person centered care model or have already made a few changes this training resource will help Student Manual for Theory and Practice of Counseling and Psychotherapy (Workbook):

0 of 0 review helpful Enlightening Subject and Theory By Beatrice Caldwell I am an avid fan of Gerald Corey s

counseling work He shows various comparisons different situations and very clearly introduces methods to use I use this for my class and my professor mentioned that they used the same book when she was getting her Bachelors degree 0 of 0 review helpful Five Stars B To help your students apply theory to practice this manual contains structured self awareness exercises that help students gain a deeper self understanding and grasp the concepts of the various approaches Also included are self inventories activities and self test questions as well as study questions and exercises based on the Theory in Practice The Case of Stan DVD The exercises are the best part of the manual I routinely assign one or more exercises to be completed outside of class and use some of the exercises and discussion question in class as well As a professor this manual gives me so many resources and ideas f
