10 of 11 review helpful Just worksheets no guidance or teaching By MamaTaney We ordered this for our rising 7th grader who is homeschooled to use as his math workbook for the year However the first thing we noticed was that the

pages were simply do this worksheets No here s what this is and how you do it or anything like that just do this At first I thought it was because the stuff was reviews of what he shou These all inclusive skills resources provide the focused practice students need to apply reinforce and review skills in reading math and test taking Answer key included
