0 of 0 review helpful Perfect for ESL tutoring By Katelin I m using these books in the ESL classes that I teach as well as for tutoring and they are perfect as extra worksheets for in class review and for homework I make copies of the pages that I need as I need them and then pass them out I also like that each grammar topic has an assessment page so you can quiz your students on what they learned I bought these boo Give students the targeted skill building practice they need with these standards based books Each workbook includes more than 40 ready to reproduce practice pages Easy to follow directions and fun exercises motivate students to work on their own Every activity in each book is correlated to state standards For use with Grade 6 About the Author Same skills and formats as state and national tests
