7 of 7 review helpful FANTASTIC BOOK for PMP exam By ArijitK I am a great fan of head first series Keeping that in mind i am trying to write this review so that it is NOT biased Being a huge fan of the head first series books i had

bought this one and a few others together from some time back last year I remember then when i thought about checking this book out i read through a few chapters which i liked Media Reviews I have been doing project management for over 30 years and am considered a subject matter expert in the PMBOK r Guide Third Edition primarily because I am the Project Manager who led the team that developed this edition As a consultant I was hired to review and evaluate eight of the top selling PMP Exam Preparation books for their accuracy in following the PMBOK reg Guide Third Edition I have developed and taught a PMP Exa About the Author Jennifer Greene and Andrew Stellman have been building software together since 1998 Andrew comes from a programming background and has managed teams of requirements analysts designers and developers With her testing background Jennif
