12 of 12 review helpful Outstanding supplement to our homeschool latin By Mrs Phun Wonderful We bought this to use as a fun supplement to our homeschool latin class for our 8 year old daughter This is her 1st year of HS and she is NOT an advanced student she s right on target for a 3rd grader Having said that this is sufficiently difficult yet still fun

The stories are written in English first with detailed illustrations. Learning Latin Through Mythology is a highly illustrated workbook to introduce elementary students to Latin using simplified versions of the popular myths of ancient Greece and Rome. The book consists of thirteen units, each including a short English version of a myth, an illustrated Latin version with vocabulary explanations, a related Latin grammar activity, plus related writing and open-ended projects. Innovative review exercises enhance the thirteen units. It captures
