4 of 4 review helpful This book was an excellent educational tool and helped make learning a little bit By thirstybobo

This book was an excellent educational tool and helped make learning a little bit more fun This was a book that was required for the nursing program I completed and I m really glad that it was I m sure there s a newer edition by now but if anything it can only be better than this one I highly reco Anatomy and Physiology Coloring Workbook is an excellent tool for anyone who is learning basic human anatomy and physiology The author s straightforward approach promotes and reinforces learning on many levels through a wide variety of visual and written exercises Along with its review of the human body from microscopic to macroscopic levels the workbook also includes practical clinically oriented activities The Human Body An Orientation Ba From the Back Cover Anatomy and Physiology Coloring Workbook is an excellent tool for anyone who is learning basic human anatomy and physiology The author s straightforward approach promotes and reinforces learning on many levels through
