62 of 66 review helpful Helpful but I won t Recommend By Supergan First of all I used this book instead of the PMBOK 5th ed to prepare for the exam and I passed it on August 6th But that doesn t mean I like this book Overall the book helped me to pass the exam but I would not recommend it to you Although the book does cover the 5th ed

and was helpful to prepare for the exam there are several things I don't Here is the most definitive and up to date self study guide for the Project Management Professional PMP certification exam from the Project Management Institute This single volume has been used successfully by project managers around the world and it contains everything you need to pass the PMP Exam including all exam topics insider secrets complete explanations of all PMP subjects test tricks and tips and hundreds of highly realistic sample questions Additional About the Author Andy Crowe PMP and Six Sigma Black Belt is a world renowned lecturer and author on the subject of Project Management He combines over 15 years of hands on experience with a clear articulate and easily accessible style that contributes to th
