3 of 4 review helpful Nothing like the test By Laura I studied this almost exclusively and was completely surprised that the test had no questions remotely like this It is possible that the test has radically changed over time and if I d

known this wouldn't have been on my list of study guides. Maybe 6 questions out of 200 on the math where you didn't have to compute the EV, AC, etc. but had to know how to apply it. The PMP Exam Success Series 3rd Ed PMBOK 3500 Question Exam Simulation CD ROM is complete with over 3500 questions, 26 different tests including Professional Social Responsibility Framework, nine knowledge areas, five process groups, and eight complete four-hour 200 questions that emulate the PMP Exam environment. The PMP Exam Success Series Exam Simulation CD ROM is an exam simulation application that provides you with three different test modes: Simulation, Learn, and I am convinced that this is the most thorough product line that I have seen for PMP Exam review.
