**By Karen K. Kirst-Ashman, Jr. Grafton H. Hull : Cengage Advantage Books: Understanding Generalist Practice** sociology is the scientific study of society including patterns of social relationships social interaction and culture it is a social science that uses various nationally accredited continuing education courses for psychologists social workers counselors and marriage and family therapists Cengage Advantage Books: Understanding Generalist Practice:

1 of 3 review helpful so not worth it By Alison very broad general topics too much so like common sense WAY too expensive for what you ll get out of it Please consider a different text book Organized around the authors coherent and cohesive Generalist Intervention Model this introductory guide to generalist social work practice provides users with

the knowledge and skills they will need to work with individuals and families as well as the foundation to work with groups communities and organizations It explores the links between micro mezzo and macro levels of social work practice and reflects the latest EPAS standards with empowerment and strengths About the Author Karen K Kirst Ashman is Professor Emerita and former chairperson in the Social Work Department at the University of Wisconsin Whitewater where she taught for 28 years She has written six social work textbooks in multiple editions and numerous
