By Kim Heldman : PMP Project Management Professional Exam Deluxe Study Guide pmp project management professional review guide updated for the 2015 exam 3rd edition kim heldman vanina mangano brett feddersen isbn 978 1 119 17972 6 degrees masters in project management programs; basics the fundamentals pmp history and faq; is the pmp credential a job requirement what pmp PMP Project Management Professional Exam Deluxe Study Guide:

1 of 1 review helpful Helpful but a LOT of information for a study guide By Jen L This book is good if you want to learn more about project management It s structured slightly better than the PMBOK itself and certainly the writing is worlds better because it s written by a single author That said it s a little on the hefty side for a study guide The questions and exercises helped me ensure I was understanding the Thorough PMP reg exam prep with plenty of hands

on practice PMP Project Management Professional Exam Deluxe Study Guide is your all in one preparation toolkit for the premier project management certification Updated to cover the latest PMBOK reg and PMP exam this book contains detailed discussion on a wide range of project management topics concepts and key terms providing full coverage of all exam material Each chapter includes hands on exercise From the Back Cover Covers 100 of exam objectives including initiating the project planning the project executing the project monitoring and controlling the project and much more Includes interactive online learning environment and study tools with
