Mousematics By C Damitz This product again is wonderful for our 6 yr old grandson he really enjoys the funness of
learning math so he Dear parents and teachers You now have in your hands a far from ordinary workbook for the
ordinary subject of mathematics There is a multitude of books and aids that help preschoolers become familiar with
mathematics All these aids introduce children to the world of numbers and geometric figures teach them to tell
numbers apart continue patterns and find identical pictures The problems and tasks presented in all these books are
more or less similar connect id
