0 of 0 review helpful Ideal E transaction By Neal G Costello Great price Prompt shipping Great product 1 of 1 review helpful As good as the book By Ricardo De La Torre The activities in this book really supplement the main text very well They help cement the ideas in your head and give great practice to the theories and processes explained 0 of 0

review helpful This companion to THE ORIGINS AND DEVELOPMENT OF THE ENGLISH LANGUAGE supplements and enhances material presented in the main textbook Chapter by chapter exercises help students master text material efficiently A wide variety of topics problems and data gives instructors ample material for class discussion The wealth of information in this workbook invites selective use and assistance with many aspects of the subject that a student may find challenging For example About the Author John Algeo is Professor Emeritus of English at the University of Georgia He is past president of the American Dialect Society the Dictionary Society of North America and the American Name Society He was an associate editor of the OXFORD COMP
