3 of 3 review helpful Since this is the first year of the PARCC By Ravi Venkatarama Since this is the first year of the PARCC we were unclear as to the new rules and formats and unsure about the online testing process This book seems to address all these issues adequately We previously relied on publications from the BARRONS Press Some preliminary information shared by our child s teacher is convincingly In 2014 2015 the NJ ASK tests will be replaced by the PARCC assessments This book has been developed specifically to prepare students for the new PARCC assessments It covers both the Performance Based Assessment PBA and the End of Year Assessment EOY It includes practice for all the tasks students will encounter on the real PARCC tests Complete Preparation for the PBA and the EOY Separate sections cover the PBA and the EOY assessments
