Test:

5 of 5 review helpful Does not help with test preparation By Gail Simms The passages in the book are too easy to be considered common core material and the questions do not mimic the types of questions asked on the state test In addition there are numerous typographical errors in the book I do not recommend this book for test preparation but it can be useful for practicing basic reading and writing skills Matches the 2016 2017 State Standards and Assessments This practice test book is the perfect preparation tool for the New York Common Core English Language Arts tests It will develop all the skills that students need and provide ongoing practice with all the tasks found on the real state test Prepares Students for the New York Common Core ELA Test Includes practice for all the tasks students will complete on the Common Core ELA Test
