1 of 1 review helpful Not good for beginning readers By Deleted The illustrations are fine lots of big spaces good for young color ers but there s no pictorial context to hint at what the words are For example the word red is a lion holding a sign with the word on it All the words are presented that way Learning sight words relies on context clues so the book would be much better if it included them I e th EDUCATIONAL AND FUN DOLCH SIGHT WORDS Do you have a child in Pre School or getting ready for Pre School Do you want to encourage them on their path of learning Do they love coloring If so you need the Sight Words for Pre K Coloring Book This cool coloring book for young children will help your child learn the 40 pre school dolch sight
