Workbooks):

1 of 1 review helpful Not exactly what I expected By MM This pattern and sequence book isn t exactly what I
expected I thought it would have more of the traditional patterns for example something big then something small then
something big then _____ Instead there was a lot of ABC patterns For example what letter comes before X
what letter comes after Y and ABC__DE__GH__ type of patterns With the numbers Knowledge of patterns enables
us to make predictions and solve problems Noticing patterns in nature and in home routines and observing the
sequence of daily events strengthens mathematical thinking and supports logical thinking and understanding of the
world Reading comprehension and the ability to solve mathematical equations are dependent on a childs skill in
patterns and sequencing This book includes activities that build skills in these areas Upon your childs com
