0 of 0 review helpful Great for 4 year olds By Kate Fix These are my sons favorite workbooks They are shorter than most which is good because they aren t overwhelming and then he can move on to the next one Going to school for the

first time is an exciting highly anticipated event for both parents and their young children Though that time may be a year or two away it is not too early to begin preparing your child for a successful school experience This book includes quick engaging activities that will help your child learn the letters and their sounds skills young children need for school success While these activities may seem simplistic their mastery is essential
