Multiplication and Division Stick Kids Workbook, Grade 3 (Stick Kids Workbooks):

0 of 0 review helpful Five Stars By Jeffrey Matraccia Nice book 0 of 0 review helpful Fun and concise review of multiplication division By Autumn Great summer review Starts with simple concepts and progresses to double digits and then division My child enjoys this book Easy to work through with nice graphics Includes a sticker chart 0 of 0 review helpful Multiplication and division are relatively new operations for third graders Children need many experiences grouping and separating objects to understand the meaning of these two operations They also need to see and use number facts such as 3 times 5 and 12 divide 4 in a variety of contexts such as in describing sets of objects or pictures or solving word problems in order to achieve mastery Research has shown that repetition is essential for the brain to learn
