**By Ann C Silverlake : Comprehending Test Manuals: A Guide and Workbook** available in paperback o your students will get valuable practice in interpreting actual excerpts from published test manualso each of find great deals for comprehending test manuals a guide and workbook by ann c silverlake 1998 paperback shop with confidence on ebay Comprehending Test Manuals: A Guide and Workbook:

0 of 0 review helpful Don t waste your money By nw There are no answers This is ridiculous It is a guide book It just asks questions and doesn t given you any instruction on how to answer the questions or give you any correct answers

The material is complex and it provides no guidance for a guide book Awful and misleading Don t waste your money 0 of 0 review helpful Leaves a bull Your students will get valuable practice in interpreting actual excerpts from published test manuals bull Each of the 39 exercises begins with a guideline that helps students review the measurement concepts they will need in order to complete the exercise bull Background notes on each exercise describe the purpose of the test from which the excerpt was drawn bull Students answer questions that require them to locate and interpret i
