| Fun and educational toys for children all ages | Will stimulate your mind and entertain | Unique and innovative toys and games | **TOYS THAT TEACH:** Our simple yet innovative book teaches logical reasoning to children of every age and aptitude level. As students use the clues to think outside the box, they see information organizing itself into a sensible pattern. By discarding the old complicated and antiquated word problems, our puzzles teach complex skills with a simple and efficient method. | **GREAT FOR STANDARDIZED TESTS:** By practicing logic puzzles, children and students can confidently prepare themselves for standardized tests. Students will no longer be "tricked by questions which require them to draw conclusions, so test scores will naturally improve. Not only are our Perplexors fun, but they provide dramatically improved test results and cognitive abilities! | **CHALLENGING PUZZLES:** Word Winks are designed for children and students of any age, but can even be difficult for adults! This book is full of fun and thought provoking problems that are sure to engage and challenge. | **INDIVIDUAL OR GROUP USE:**

These verbal puzzles present a great exercise for entire classrooms or single students alike. They even give students an opportunity to sharpen their skills while away from school, be it summer vacation or just an after school weekday. | INCLUDES: Package includes (1) Word Winks book with over 300 puzzles. | File size: 34.Mb
