**By A. Day, Pat M. Heathcote : Tackling Computer projects in Access with VBA (4th Edition) (GCE Computing)** Tackling Computer projects in Access with VBA (4th Edition) (GCE Computing):

Students and teachers alike will be delighted to see a new edition of this indispensable guide to A Level project work. The text has been revised by Alison Day, an A Level examiner and moderator, and includes a new section on the AQA AS Computing Paper 3. The book covers database design, creating tables, forms, and subforms, queries, importing and exporting data to other packages, analysing and processing data, reports, and programming in Visual Basic for Applications.
