4 of 4 review helpful There are better books for this subject matter By Elanor Oranges This is more of a reference

book for a reference book than a good teaching textbook I was required to purchase this for a PMP course at college and though it outlines the concepts in the PMBOK it is structured in such a way that there is little to no explanation or content It goes over each Phase Process and ITTO in a very concise and This product is for those taking the PMP Exam after June 30 2009 This aligns with the PMBOK Guide Fourth Edition The PMP reg Exam Success Series Bootcamp Manual is the foundation of the PMP Exam Success Series currently used in 67 countries This is a must have for anyone preparing to take the PMP Exam This book is complete with valuable exam preparation information including Crosswind Must Knows for each exam topic terms and definitions formulas exer I am convinced that this is the most thorough book that I have seen for PMP Exam review Angie Gamez PMP PMI Education Committee Member Of all the material that I have reviewed this is the most complete thorough review knowledge area b
