0 of 1 review helpful so disappointed I only have two weeks left to study By Customer If you purchase be prepared to cross walk information with PMBOK 5 as the cards I received were not updated so disappointed I only have two weeks left to study and now I m concerned that I am receiving out of date information 0 of 0 review helpful Different from traditional flash cards PMP Exam Flashcard Study System uses repetitive methods of study to teach you how to break apart and quickly solve difficult test questions on the Project Management Professional Exam Study after study has shown that spaced repetition is the most effective form of learning and nothing beats flashcards when it comes to

making repetitive learning fun and fast Our flashcards enable you to study small digestible bits of information that are easy to learn and give you exp
